WINEMAKER NOTES

If you're looking for that big buttery and oaky Chardonnay, well.....keep looking, this is not it.

If your passion is a Chablis style wine with crisp acidity that the Ancient Lakes of the Columbia Valley is becoming known for, this is the one! The grapes came from Cave B vineyards, adjacent to the Gorge at George, lending music to the ears as well as the vine! Perhaps it's the music playing for the vines that delivers crisp McIntosh apple, tropical notes of mango and pineapple with white flowers and jasmine. It has that cool aroma reminiscent of a New Zealand Sauvignon Blanc. Keep your eyes and taste buds on the Ancient Lakes - this region will continue to produce flavors of distinction and depth.

Gordon Taylor, Winemaker

Sonya Says: "Crispy fruity blissfulness"

Chardonnay

Ancient Lakes of the Columbia Valley

Wine Lore: As a versatile grape, Chardonnay is one of the most widely planted white wine varieties worldwide. Grown in the cooler region of Washington State, this Chardonnay reflects the crisp, clean and vibrant flavors the Ancient Lakes of the Columbia Valley AVA is a winning combination, fit for any wine glass.
