WINEMAKER NOTES

You can make a Rose out of any red grape, but there are a few that do it slightly better than others, and one of these is Cabernet Franc. This Rose came off the back side of Red Mountain from Mike & Amanda Bailes' Vineyard. This Rose has an aroma of bright red fruit of strawberry and red raspberry with floral notes of freshly opened hybrid tea rose that will keep your nose in your glass while you savor it. Crisp and clean on the palette or good on its own. It will be a great summer sipper that will pair many light dishes or charcuterie boards on those hot summer days

CAB FRANC ROSÈ

COLUMBIA VALLEY

Wine Lore: Rose wine evokes thoughts of a wine that is delicate. Compared to red wines, it's color is soft. The flavor a Rose brings from red grapes is more of an echo than a bold statement. Subtle, yet with distinct flavor and character, this Rose can be enjoyed on it's own or as a complement to a myriad of fresh and diverse dishes. However you choose to drink it, enjoy the way Rose can bring light to your day.
