### WINEMAKER NOTES

Washington is truly blessed to have the consistency of our climate, to continuously produce wines of great depth and elegance. This is a traditional Bordeaux blend using 6% of both Petit Verdot and Malbec. The Malbec is used for a softer middle palette and the Petit Verdot to bring out blackberry fruit to this blend. This partnership has made a wine with great depth and a long lingering finish. This Cabernet Sauvignon has aromas of raspberry and blackberry with fresh baked bread, sandalwood, hazelnut and cinnamon spice. This wine will age gracefully for many many years to come.

## Cabernet Sauvignon

### Horse Heaven Hills

**Wine Lore:** Washington's premium wine grapes grow in a geological wonderland. The spectacular Cascade Mountains create a magnificent rain shadow and the dry irrigated landscape where the grapes for Daven Lore are grown. The rich soils were deposited from a combination of cataclysmic ice age floods, followed by scouring winds. Each sip of this wine is a reflection of the bold and dramatic landscape.
